You might be living and working in community where there are challenges related to violence, drugs, etc. With this in mind respond to the following questions:

1. Will your parents be supportive of this internship? Have you asked them?
  
2. Do you have concerns about safety and the challenges of this internship?
  
3. When you think about the complexities of the challenges facing children, families, and the Church that you will encounter this summer, what are your concerns about your personal limitations and possible lack of experience?

Please answer the following questions on a separate sheet.

- Why do you want to participate in the Cross-Cultural Leadership Intern Program?
- What do you already know about issues facing the LA community in education, poverty, empowerment, children and leadership?
- How does this internship relate to your academic studies?
- How do you relate this internship and service learning experience with your career/professional goals?
- Describe your ideal of a good leader. Describe the person who best embodies the most important leadership traits.
- Describe your own leadership style.
- How do you plan to be involved in Multicultural issues or leadership positions in groups when you return to campus in the fall?
- Would you like to be considered for the limited financial aid that may be available for travel to and from Los Angeles for the summer? (If yes, please explain why.)
- This internship is an 8-week commitment. Are there any factors that might hinder your ability to complete this internship over 8 consecutive weeks this summer? If yes, please explain.
